

# About Make Art Not trash

The Eagle Rock Association's Beautification Committee including representatives from the Arroyo Arts Collective and The Center for the Arts, Eagle Rock commissioned local artists to design and create ceramic mosaic panels. The panels were attached to 20 cast concrete trash receptacles gracing Eagle Rock's main commercial streets. The Eagle Rock Make Art Not Trash program unites the rich cultural heritage of the community with the creativity of 17 artists and 21 of Eagle Rock's civic minded businesses and organizations that maintain the trash receptacles. This project uniquely identifies the Eagle Rock community while providing a positive and practical solution to local litter.

Funding for the Eagle Rock Make Art Not Trash Program was made possible through The Eagle Rock Association (TERA), The Community Beautification Matching Grant of the City of Los Angeles Department of Public Works, Eagle Rock Community Preservation and Revitalization (ERCPR), Eagle Rock Chamber of Commerce (ERCC), Eagle Rock Neighborhood Council (ERNC), and the Eagle Rock Kiwanis Club. Selected tiles donated by Dal-Tile.
